

FINAL CALL:

6th INTERNATIONAL CONFERENCE ON PROFESSIONAL DOCTORATES

The deadline for submitting papers to the 6th International Conference on Professional Doctorates is Friday 20th October.

The nature of doctoral education has changed since the first ICPD conference held in Edinburgh in 2009. The 6th International Conference on Professional Doctorates is one of the few global events to discuss and consider the place of such programmes in the context of the further development of doctoral education.

CONFERENCE THEMES

Papers are being accepted for the following themes:

- Curriculum development in collaboration with industry & commerce, professional & statutory bodies.
- Pedagogy including novel modes of delivery.
- Professional impact and transformation.
- The candidate experience.
