Duration		
Travel cost		
Subsistence cost		
Total Request (Max award of €2,500 per side)		

Details of additional group members should be filled out on a separate page.

Please state the nature of any research grant currently held by the project leader from Ireland - detailing the funding agency, duration of grant, institution which processes grant payments.

Have any members of the proposed collaboration received funding in the past 5 years from one or more of the sponsoring organisations (IRC, IRCSET, IRCHSS, Teagasc, French Embassy, Campus France, Égide)? – If yes, please specify year(s), awards etc.:

Have any applicants in the proposed collaboration received Ulysses funding in the past 5 years? **If yes, please give details of project leader and year**; a synopsis of previous funding under Ulysses should also be attached to this form (max 1 page). The synopsis should briefly outline the funded research project, any successful outputs/outcomes and any follow-up activities (continuation or expansion of the collaboration).

European dimensions: (Detail any existing participation in EU programmes, including name of programme and partners).

Other international dimensions: (Detail any existing international collaboration)

Project themes (Please tick the one that best describes the research discipline.)

Section A – 3/3**PROJECTED OUTCOMES**

Training and career development of early-stage researchers: (Will this project afford training and career development opportunities for early stage researchers (i.e. postgraduate students and postdoctoral fellows)?)

YES/NO (please delete as appropriate)

If yes, please provide a brief summary:

Training through research: (Will this project involve training through research, in particular, co-supervision of a thesis? If so, please give the names of those doctoral students, together with their research subject.)

YES/NO (please delete as appropriate)

If yes, please provide a brief summary:

Expected project outcomes: (Journal articles, conference and seminar papers, seminars, training, economic, social, industrial viability, patents)

Industrial dimensions current or expected where appropriate: (Detail any industrial partners where relevant and beneficial outcomes expected)

YES/NO (please delete as appropriate)

If yes, please provide a brief summary:

Intellectual Property

The attention of researchers is drawn to the need to take steps to protect intellectual property and the possibility of transfer of technology to another country.

APPLICANT'S DECLARATION

I declare that the above particulars are correct and I understand that terms and conditions apply. I accept that failure to abide by the terms and conditions may disqualify me from this scheme. I also authorise the Irish Research Council to verify, if necessary, any of the information supplied in this application.

Signature of project leader	
Date	

ENDORSEMENT BY INSTITUTIONAL AUTHORITIES

I hereby endorse this application in accordance with the terms and conditions.

Signature of Head of Department/ Head of School/Faculty or equivalent (please indicate position held)	
Date	

Signature of Vice-President for Research or equivalent authorised signatory (please indicate position held)	
Date	

Institution stamp:	
--------------------	--

Checklist:

1. Application form completed with Irish and French partner details ☐

2. Description of project attached (2 pages maximum, excluding references): ☐

N.B. The project description must be intelligible to academics in neighbouring research fields.

- Research aims and objectives
- Proposed methodology
- Research plan, including a schedule for task completion
- Reason for collaboration (e.g. shared knowledge, skills, equipment)
- Contribution to training and career development of early-stage researchers (i.e. postgraduate students and post-doctoral researchers)
- Recent significant publications relating to the research project (5 maximum)

3. Curriculum Vitae ☐

Please attach a one page (maximum) CV for each of the team members (in both Ireland and France).

4. Previous Ulysses funding ☐

Please attach details (1 page max) of Ulysses funding obtained with in the past 5 years, including project aims, partners, successful outcomes and any follow-up activities (continuation or expansion of collaboration).

5. Spread-sheet containing application details ☐

Please complete one electronic copy of the spreadsheet

'UlyssesProjectDetails_your_name.xls' file.

This is available for download at <http://www.research.ie/projects/ulysses>.

Submission Process (two-stages):

NB: An application form submitted by the Irish research partner(s) to the Irish Research Council must be matched by an application form submitted by the French research partner(s) to Campus France, otherwise it will not be considered.

1. Electronic Submission:

Applicants are required to submit one electronic copy of this application form and all related attachments to jsinnott@hea.ie and copied to info@research.ie. ***The file should be in PDF format, and should include all parts of the proposal collated into one single file.*** Submission of multiple files is not permitted and will be disregarded. Applications not submitted in the PDF format will not be considered. (A free PDF creator may be downloaded from www.pdf995.com). Please submit one electronic copy of the spreadsheet file.

2. Hard-Copy Submission:

The completed applications form, including ***original signatures and institution stamp*** (no photocopies or scanned copies permitted) and all relevant attachments, should be posted to:

Dr. Justin Sinnott
Ulysses Programme Manager
The Irish Research Council
Brooklawn House
Crampton Avenue
Shelbourne Road
Dublin 4

Do not submit a hard-copy of the 'UlyssesProjectDetails_your_name.xls' file.

Please note BOTH the electronic and hard copy submission must be received by the IRC by Midday on Friday 11th September 2015.

Applications received after this time will not be considered. Applicants are responsible for the timely delivery of BOTH applications. Appeals will not be considered.
