

APPEAR call now open

The OeAD-GmbH is pleased to announce the prolongation of the Austrian Partnership Programme in Higher Education and Research for Development – APPEAR until December 2020. The OeAD-GmbH has successfully participated in a Europe wide tender process and will continue to be responsible for the professional and effective implementation of the programme, supported by the Latin America Institute (LAI) and the World University Service (WUS) as subcontractors. APPEAR is financed by the Austrian Development Cooperation (ADC).

The list of eligible countries will remain the same and extended by three new countries, namely Armenia, Georgia and the Republic of Moldova. APPEAR will continue to fund and implement Preparatory Fundings, Academic Partnerships and Master's and PhD grants as well as newly introduced Advanced Academic Partnerships, based on already finalised projects but focusing on new innovative research questions, methodologies and findings.

Call for APPEAR opened on Tuesday, 31 March 2015.

Applications for the following instruments can be submitted until **Friday, 31 July 2015**.

- Preparatory Funding
- Academic Partnerships
- Advanced Academic Partnerships
- PhD scholarships
- Master's scholarships (only if linked to existing APPEAR projects)
