A School Age Childcare Curriculum Framework

Mary Moloney, Dept of Reflective Pedagogy & Early Childhood Studies
& Dr Sandra Ryan, Dept of Learning, Society & Religious Education

Limerick City Childcare Committee and TED jointly led the development of this publication with support from the Munster Childcare Committees, Barnardos and the National Children's Nurseries Association (NCNA). This is a resource for the School Age Childcare sector to guide the development of suitable programmes and activities. Topics covered include: child development, planning a suitable environment, programme planning, working collaboratively, inclusion, managing behaviour and homework support. The framework is divided into nine thematic areas as follows:

- Play
- Movement and Dance
- Drama
- Arts Education
- Physical Well Being
- Fun with Food
- Social and Emotional Well Being
- Citizenship and Responsibility
- Activities for Rainy Days
