Understanding Digital Marketing 'techies' and early adopters to become a valuable business and communication tool for the masses. The era of digital marketing was born. Technological advances have punctuated the evolution of advertising throughout history, each fundamentally altering the way businesses could communicate with their customers. Interestingly, however, none of the ground-breaking developments superseded those that came before. Rather they served to augment them, offering marketers more diversity, allowing them to connect with a broader cross section of consumers. In today sophisticated age of paid search placement, keyword-targeted pay-per click advertising and social networking, you'll still find the earliest form of advertising alive and well.		

The text will then appear in a popup ready for you to copy and paste into your relevant document.

How to copy an entire page of an eBook?

Simply click on Copy and then Entire page. This will bring up the copy popup box containing the text, which you can copy to the clipboard or copy directly out of the popup.

Can I see a list of pages I have already copied?

When you click Copy and the popup appears, you can click on **Show details**, which will list all the pages you have previously copied from.
